

Mathematics

No course below a "C" can be counted toward the 12 needed for certification. At least five courses total must be at the 300 level.

AP courses can not be counted in the 12.

	Term	Grade
Foundation courses:		
Math 220: Differential Calculus		
Math 224: Integral Calculus		
Math 230: Dif Calculus Multivariable Func		
Math 234: Multiple Integration		
Math 240: Linear Algebra		
Math 310-1		
EECS 110 or 111 Intro to Computer Prog		
Math 300: Foundations of Higher Math		
Additional courses to make 12 or to complete a major		

Note: MENU & MMSS courses will be applied according to published department equivalencies.

<u>Course #</u>	<u>Equivalentents</u>
Math 230	Math 290-2, 291-2, 285-2, 281-1
Math 234	Math 290-3, 291-3, 285-3, 281-1
Math 240	Math 290-1, 291-1, 285-1, 281-3
Math 220 & 224	Math 212, 213, 214
Math 220	Math 212 & 214
Math 224	Math 213 & 214
